

# Preschool Numeracy Hunt

Find a tree, how many handspans does it take to reach around the whole trunk?

Can you find a stick as long as your arm?

Can you find a leaf bigger than your hand?

Can you find a leaf with lots of leaflets?

How many leaflets are there?

Can you find 5 sticks and put them in size order from smallest to biggest

How old are you?

Can you collect natural materials and make the number on the forest floor?
